### The Swaffham Second Collection for charity

#### Workaid

This charity is based in Chesham, Bucks. and aims to empower young people in Africa (and the UK) to help themselves by developing skills and knowledge needed to find gainful employment, or to start their own business. They do this by refurbishing donated tools and equipment to a high standard and shipping them to training centres and self help organisations. You can support the work of Workaid by placing a donation in the Second Collection Bowl.
